

HALLOWEEN SHENANIGANS

The Sea Life Aquarium was a blast! We got to see turtles, sea horses, sharks, and lots of other fish! Afterwards we enjoyed a meal at the Rainforest Cafe, which was full of animal-tronics, like elephants, monkeys, and a swinging lion tail!

The Desert Belle Cruise on Saguaro Lake was awesome! It was an 80 minute boat ride around the lake with narration about Arizona terrain and wildlife. Did you know that the lifespan of a Saguaro cactus is around 150 years?

Stay tuned for 2024 Trip announcements!

Two more trips to the **Desert Belle Cruise** and the **Verde Canyon Railroad** are **guaranteed**! If you were put on the waiting list for this year's trips then you will be the **first in line** for next year's! We are also planning to have a shopping trip (Chandler? Scottsdale?) and a wine tasting. **If you have any other ideas, let us know!**

Do you need help paying for your pet's food? We can help!

All active participants of the Payson Senior Center's programs (home delivered meals, daily in-house meals, or transportation) can get help paying for their pet food and pet food storage needs.
